

GRACE FAMILY BIBLE CHURCH

E-NEWS

Grace unto you, and peace from God our Father and the Lord Jesus Christ.

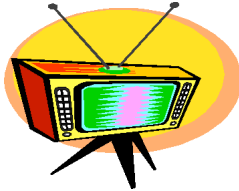

Due to the fact that I love the e-newsletter Bro. Steve Atwood recently sent me, I'm going to steal his idea right out from under his nose and use it myself. Ha!

We pray this newsletter finds you all safe, well and rejoicing in your salvation.

Hope we see you at the Texas Bible Conference!

Yours in Christ,

Scott and Sandi

NEWS & PRAYERS:

For those who do not know, **Beth Cottle**, wife of Bobby Cottle and mother of Bobby Jr. and Claylee Cottle, went to be with the Lord August 11, 2005. Please pray for the Cottles in their time of mourning and transition, but know that Beth was saved and we will see her again Some Day Soon!

Thanks to all who participated in the **Benefit for Beth** concert, the brainchild of Brad Davis, which raised \$3600 to help the Cottles in this tough time. We praise God for everyone who lent a hand, performed, ran errands, provided food, etc. The Cottles will be eternally grateful, and so are Brad and I!

The new berea cd **Frozen Lake** is days away from being fully replicated and printed. As of this writing we are informed that the cd's should ship at the end of this week. Thanks for your prayers and patience, as this was much hindered from our original timetable, but I'm certain was right within the Lord's time. I will send copies to all those who requested one, and boxes to the churches.

A tremendous day of preaching was had Saturday, August 20 in Austin, Texas at the **Austin Bible Confence**. We were blessed by messages from Bros. Randy Kaiser, Wayne Reeh, Jeremy Woodruff, Bob Raborn, Mike Schroeder, Jerry Lockhart and

myself. We also rejoiced in hearing the testimony of Bro. Stephen Cameron.

We keep lifting up **Bro. Jeremy and Rebekah Woodruff** in prayer to the Lord, along with all the saints in Arlington and DF/W. Bro. Jeremy moved out this spring to minister to the brethren up there, and we praise God for his faithfulness to continue the work begun by Bros. Jerry Lockhart, Mike Arnold and myself. Contact Bro. Jeremy if you'd like to know more about what is on his heart to do in North Texas at **817-419-2747**.

Please be in prayer for **Bro. Pat Burrell**, who was injured in a diving accident and suffers from the symptoms associated with decompression sickness. Pat's wife, Aiwen, and his parents, Bill and Suzie Burrell, appreciate your thinking of him in your prayers.

A praise to God for **Bro. Jerry and Barbara Lockhart**, who won their court battle with the County of Comal in Texas which was trying to hit them hard for commercial property taxes. The status of Berean Bible Church was in question by the ignorant powers that be who apparently cannot read plain English! Your prayers went far to help in this decisive victory.

Continue to remember **Bro. Obed and Linda Kirkpatrick** in prayer as they still face their day in court over legal issues in Obed's former business. Hopefully their ordeal will be over with soon.

Be in prayer for **Bro. Wayne and Heidi Reeh**. Wayne experience some health problems recently that caused him to lose some vision, and there was a scare blocked arteries were involved. The worst-case scenario appears to be ruled out, but we'll keep him in our prayers that things will improve. Bro. Wayne teaches in Austin on Sunday mornings at 10:00am, 8926 North Plaza Court.
